2022 SAUVIGNON BLANC
NAPA VALLEY, CA

The 2022 Kerr Cellars Sauvignon Blanc has a lovely, vibrant bouquet of guava, ripe pear, melon, fresh cut white flowers. On the palate, this wine has great density, weight and body, with flavors of pear, green apple, melon, and white fig. Fresh, well-integrated acidity lifts the aromatics and flavors, driving a long and persistent finish.

Vineyard Notes: The Sauvignon Blanc is grown in the wonderful Wappo hill vineyard in the hills of Stags Leap. The Sauvignon Musque is grown at the top of Atlas Peak at the Stagecoach Vineyard, while the Semillon portion is old vines from the historic Tofanelli vineyard in Calistoga.
