WINEMAKER OF THE YEAR 2023
HELEN KEPLINGER

Congratulations to our extraordinary winemaker Helen Keplinger who was named Winemaker of the Year for 2023 by Vinous Media.

“Keplinger wines have been superb for a few years now, but I was especially struck by what I tasted this year across all her various projects. Her 2021s are quite simply sensational across the board.”

“Keplinger makes a range of wines for professional Golf Star and Sommelier Cristie Kerr, a set of wines that is super-impressive from top to bottom.”

*The 2021 Kerr Mast Ranch Vineyard Cabernet Sauvignon is flat-out brilliant, revealing a dense purple hue, gorgeous blackcurrant and cassis fruit, full-bodied richness, and remarkable purity.
